

Loders News

Friday January 20th 2017

Dear Parents, Family and Friends

Archery Taster Day

The children thoroughly enjoyed the experience of learning archery on Thursday of this week. Paul will be back to take the children for some more formal sessions in the future and we look forward to this. We are very grateful to the Loders Young Players for funding this exciting experience. Please see the pictures overleaf.

Parking

Whilst we appreciate that parking can be difficult at times it is essential that parents park their cars considerately and in a way that allows children to have access to cross the road safely.

E-Safety Session

An e-safety session for parents is booked for Thursday 9th February at 3.15pm in the Sedum Room. A crèche will be available. This is an opportunity for us to give you the latest information about how to keep your child safe on the internet which we hope you will take advantage of.

In school we will be taking up the challenge of having a Safer Internet Day 2017 on Tuesday 7th February, with the theme 'be the change: unite for a better internet'.

Class Updates

The theme of Fun, Food and Fitness continues throughout the school. Seals have been using their senses to explore new tastes and smells. Dolphins have tried a range of healthy foods and have designed their own healthy snacks. Sharks are learning about the food that Ancient Greeks had and how healthy it was without any sugar.

Leeson House

Parents of years 5 and 6 should have received their Leeson House letters this week. If yours has gone astray please ask for a copy from the office. Anyone with queries about paying for residential or any aspect of the trip, please see Ms Beecham.

School Office

The school office will not be manned on Wednesdays from next week until the 23rd February inclusive.

If you have anything to hand in there will be a box in the foyer which will be checked at break time.

Nits and Head Lice

As we don't seem to be eradicating these wee beasties with a general alert, we will be writing home to parents if we see any activity or if their child(ren) are scratching their heads. If you do receive a letter, please check your child(ren)'s hair and if necessary treat as outlined on the NHS website:

<http://www.nhs.uk/Conditions/Head-lice/Pages/Treatment.aspx>

Multi-Academy Trust News

In future newsletters we may include events and updates from other schools in the MAT.
