French:
This term we will be learning to greet people and introduce ourselves and others.

Writing:
This term we will be using the story of the 'Stone Age Boy' as the inspiration for our writing. We will be writing character and setting descriptions leading up to writing our own story with a historical setting. Also we will be learning how to write our own instructions by making Iron Age griddle cakes. As a class story, we will be reading Wolf Brother.

Computing:
This term we will be learning about and exploring the computer systems that we are using in school. We will also be learning how to stay safe online.

Art & Design:
We will be studying Celtic Art and looking at various types of design linked to this, including tri-spirals, knots and Celtic key patterns. After creating our designs we will be applying them to claywork, and making some Celtic jewellery.

PE:
This half term our PE days will be Tuesday and Wednesday. On a Tuesday we will be focusing on ball skills and Wednesday will be Forest School.

Reading: We are focusing our guided reading sessions this term on retrieval skills. These skills underpin all others in reading and we will be reading a range of genres and novel extracts. We will focus on skimming and scanning and efficiently retrieving information to answer questions about a text.

Stone Age to Iron Age

RE: Our key question this term is 'What do Hindu's believe God is like?'. We will look at some Hindu deities and discuss how they help Hindu's to describe God. We will then use this knowledge to consider our own answers to the key question.

Christian Ethos: This term's Christian value is Wisdom. We will focus on the Wisdom of learning for life. We will also be celebrating Harvest festival this term and will be learning all about the Christian view of this festival from Rev. Chris.

Mathematics: We will start the term with lots of activities around place value, different digit values and estimating before we move onto mental and written addition, subtraction. There will be a big focus this term on the quick recall of the times tables.

History:
This term our focus will be on the changes to life that happened from the Stone Age to the Iron Age. We will be learning about lifestyles, skills and comparing ways of survival through the ages.

Music:
We will be learning about the song Mamma Mia by ABBA and learning to perform it with instruments and vocals.

Science:
This half term we will be learning about different types of forces, including push, pull, friction and magnetism. The children will explore how forces can make objects move, stop, speed up, slow down or change direction.

PSHCE: Our Jigsaw puzzle piece this term 'Being me in the World' focuses on rights and responsibilities that we have as members of the school and wider community.
