French:
This term we are learning how to write short, descriptive sentences about a person's appearance with a focus of adjective agreement.

Writing:
This term we are using Beowulf as our inspiration for writing our own traditional stories. We will be collecting genre-specific vocabulary, and using a range of writing features to describe and build suspense. We will then use our new historical knowledge to write a non-chronological report. We will also be studying kenning poetry, linking to Beowulf and our History topic.

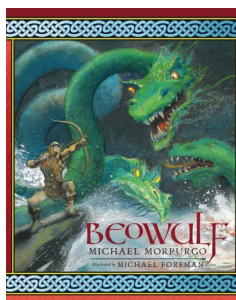

Computing:
We will be learning how computer systems work, focusing on bar codes, QR codes, contactless data (such as card payments) and how these allow data to be organised.

Art & Design:
We will be spending the term learning how to form and join clay using the slab, slip, and coil techniques as well as decorating using range of tools in preparation for making our own Anglo-Saxon clay pottery by the end of term.

PE: Cogden are swimming this term as well as developing their badminton skills. Swimming is on Monday and PE is on Wednesday.

Reading: We are focusing our guided reading sessions this term on retrieval skills. These skills underpin all others in reading and we will be reading a range of genres and novel extracts. We will focus on skimming and scanning and efficiently retrieving information to answer questions about a text.

Anglo Saxon to Vikings

RE: Our key question this term is 'Why do Hindus and Buddhists try to be 'good'?'. We will look at the shared beliefs of Hindus and Buddhists and also learn about the differences in their religions. We will then use this knowledge to consider our own answers to the key question.

Christian Ethos: This term's Christian value is Wisdom. We will focus on the Wisdom of learning for life. We will also be celebrating Harvest festival this term and will be learning all about the Christian view of this festival from Rev. Chris.

Mathematics: We will start the term with lots of activities around place value, rounding and estimating before we move onto mental and written addition, subtraction, multiplication and division. We will then look at fractions and decimals. We will be reasoning and problem solving throughout all topics.

History: This term our focus is on Anglo-Saxons and Vikings. We will be chronologically ordering key events and using primary and secondary sources of evidence, finding out about their daily lives and considering how their existence has impacted modern Britain.

Music:
We will be learning about the song Happy by Pharrell Williams and learning to perform it with instruments and vocals.

Science:
We will be learning about different forces, how they work and conducting investigations into them. We will cover gravity, friction, air resistance, water resistance and upthrust to understand how and why things move.

PSHCE: Our Jigsaw puzzle piece this term 'Being Me in My World' focuses on rights and responsibilities that we have as members of the school and wider community.

Extra Curricular Learning:
The children will be visiting the Dorset Ancient Technology Centre to experience everyday life in Viking and Anglo-saxon Britain.
