

SEND Information Report Loders CE Primary Academy

September 2026

	What we do at Loders Primary School
What kind of SEND do pupils at Loders CE Primary Academy have? 	Loders CE Primary Academy is a mainstream setting with 65 pupils from Nursery/Reception to Year 6. We provide the structure for a pupil-centred process that engages pupil, family, school and other professionals in planning for and implementing high quality, needs led provision that is consistent across the school. This is to ensure all of our pupils are able to access the same opportunities for learning and social development, achieving maximum progress, fulfilling their potential and promoting their well-being. The school provides support for pupils across the 4 areas of need as laid out in the SEND Code of Practice 2014: Cognition and learning. This covers learning difficulties both moderate (MLD) and severe (SLD) where support is likely to be needed across all areas of the curriculum. It also covers difficulties which affect one or more specific aspects of learning (SpLD) This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia. Communication and Interaction. Children with autism or speech difficulties. Social, emotional and mental health difficulties. This includes children with behaviours associated with ADHD but, at times, many children may suffer from anxiety, overwhelming feelings of anger or fear which affect their ability to learn. Sensory and/or physical needs. This covers Hearing Impairment (HI) Visual Impairment (VI) Multi- Sensory Impairment (MSI) and Physical difficulties (PD) We currently have 16 children on the SEND register with the following type of primary needs: 6% of Cognition and Learning 75% of Communication and Interaction 19% of Social, Emotional and Mental Health Difficulties 0% of Sensory and/or Physical Needs. Last academic year (2025 – 2026) we had 15 children on the SEND register with the following types of primary needs: 6% of Cognition and Learning 67% of Communication and Interaction 27% of Social, Emotional and Mental Health Difficulties 0% of Sensory and/or Physical Needs. If you want to know more about SEND at Loders CE Primary School, please contact the SENDCo, Rachel Rawlings

How do we identify pupils with SEND?

Information about the First Federation Trust policies for identification and assessment of pupils with SEND can be found by clicking on the link below:

[Policies | First Federation](#)

Pupils have special educational needs if they have a learning difficulty or disability which calls for special education provision to be made **which is additional to or different from** that normally available in an inclusive class room with an adapted curriculum. We regard pupils as having a Special Educational Need if they:

- Have a significantly greater difficulty in learning than the majority of pupils of the same age, or;
- Have a disability which prevents or hinders him/her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions
- A child under compulsory age has special educational needs if they fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them (Section 20 Children and Families Act 2014)

Children with SEN are identified by the following assessment routes all of which are part of the overall approach to monitoring progress of all pupils:

- Child performing below age related expected levels and performance thresholds – this could be in any of the core subjects, or in social emotional development.
- Assessments of children on entry to school e.g. Speech and Language assessments, Baseline assessments
- Ongoing tracking attainment of children through the year
- Internal assessments
- Concerns raised by parent
- Concerns raised by teacher
- Clear systems to raise concerns in place, involving consultation with parents.
- Consultations between class teachers and members of the leadership team where progress is discussed
- If children have English as an Additional Language (EAL) and there are SEND or progress concerns, the school will commission first language assessments to ensure an accurate assessment of need is made.
- Extensive Liaison with external agencies e.g. Educational Psychology, Communication and Interaction Team
- Health diagnosis through Paediatrician or advice from GP
- Liaison with previous school or setting, if applicable

**How does the school
teach pupils
with SEND?**

We believe that all teachers are leaders of SEND and every teacher is responsible for meeting the needs of pupils with SEND in their classroom.

Provision for SEND pupils includes:

- Appropriate adjustments made for all pupils across the curriculum as specified in First Federation's Ordinarily Available Provision document.
- Extra adult support in classrooms where appropriate
- Inclusive approaches are used across the school to enable all children to reach their full potential
- Personalised provision through adapted resources and interventions
- The SENDCo and School Leaders make regular classroom visits to check pupils with SEND are making progress in their learning

At Loders Primary School we have:

- Language groups and speech programmes
- Pre and Post teaching
- Precision teaching
- Small group work
- 1:1 support
- Personal Learning Plans
- Zones of Regulation SEMH interventions
- Stormbreak SEMH/Movement 1-1 and whole class
- Relational Support Plans
- Gross motor skill intervention using Learn to Move

These are delivered by a variety of people including: class teachers, teaching assistants, Speech & Language staff.

How do we evaluate the effectiveness of provision for pupils with SEND?

- Teachers are continually monitoring the progress and outcomes for all in their class as part of their ordinarily available provision and will adapt provision as required.
- Progress of individual pupils with SEND and the impact of support given is completed at least termly through discussions with the pupil, parents and carers and adults working with the pupil.
- Impact of interventions and SEND provision is evaluated by teachers, the SENDCO and Head of School at least termly and adapted as required.
- Progress of SEND is reported termly to the Board of Directors and our SEND information Report, posted on the Web site, is updated at least annually and when any significant changes are made to our provision.

What arrangements are in place to assess and review pupils' progress towards outcomes, including opportunities available to work with parents and pupils as part of this assessment and review?

These arrangements include:

- Graduated approach with cycles of **Assess Plan Do Review**
- Data tracking for pupil progress
- Personal Learning Plans
- Provision Mapping
- EHCP reviews
- Observations and follow up parent meetings
- Specialist support/assessments
- Termly planning meeting with Speech and Language Therapists
- Twice yearly planning meetings with DCC's Specialist Teacher and Educational Psychologist.

How is the curriculum and the learning environment adapted for pupils with SEND?

At Loders Primary School, we seek to make as many reasonable adaptations as we can to ensure that learning is maximised and needs are met. The curriculum/learning environment may be adapted by:

- Groupings that target specific levels of progress;
- Adapted resources and teaching styles
- Appropriate choices of texts and topics to suit the learner
- Access arrangements for tests and or examinations
- Targeted use of additional adults as appropriate
- Sensory and movement breaks timetabled into normal classroom routine
- An extensive range of additional resources including: voice recorder software, text to speech software, spell checkers, weighted blankets/clothing, move and sit cushions, writing slopes, overlays and reading rulers, widget online visuals, pencil grips, ear defenders, fidget toys.

Further examples of how we adapt the learning environment can be found at

<https://www.firstfederation.org/send-and-medical-needs/>.

What support is available for improving the social emotional and mental health of pupils with special educational needs?

All pupils are encouraged to think and reflect on how they are feeling and are encouraged to communicate those feelings. They are supported in this by:

- High quality PSHE lessons
- Whole class Stormbreak sessions
- Alternative lunch time provision
- A Social, emotional and mental health support team providing programmes such as self-esteem building and anger management
- Specialist support for individual pupils; Stormbreak, Zones of Regulation
- Pupil Voice through School Council and Christian Vision Leaders
- Signposting to external services
- Relational Support Plans/Co-Regulation Plans
- Signposting to local support groups
- Social stories, comic strip conversations and Now/Next/Then charts

Who should I contact if I am worried or if I would like to talk to someone about SEND?

Rachel Rawlings is the Special Educational Needs and Disabilities Coordinator and works closely with teachers and the Head of School to meet the needs of all SEND pupils.

Rachel Rawlings can be contacted by telephoning the school directly:

The Director with responsibility for SEND is: **Carolyn Bromfield**

She can be contacted by email: admin@firstfederation.org.uk

What training and expertise do staff have in relation to children and young people with SEND, including how specialist expertise is secured?

- An audit of staff experience in SEND is undertaken annually.
- The FFT SEND lead and Inclusion Lead hold the National Award for Special Educational Needs (NASENCO) qualification. The SENDCO holds the National Professional Qualification for SEND (SENDNPQ)
- The SENDCo attends the half termly FFT SEND Network days
- The SENDCo regularly provides input at SEND specific staff meetings.
- During the last academic year specific staff have undertaken individual training regarding Therapeutic Thinking Tutor Training, Attachment-Based Mentoring, Stormbreak, Advanced Safer Handling Training, Metacognition Approach to Teaching and Learning.
- When required, specialist expertise from external services such as Communication and Interaction (CIT), Speech and Language Therapy (SALT), Child and Adult Mental Health Services (CAMHS), Educational Psychologist (EP) and other services are employed as appropriate.
- Our Educational Psychologist meets with staff and provides advice regarding the best approach to support individual children
- At least termly staff are provided with the opportunity to discuss any concerns or observations of individual children. They are given immediate support and advice which is followed up by further professional discussions and monitoring as appropriate.

How will equipment and facilities that support children with SEND be secured?

Where assessment has shown the need for a particular piece of equipment the school does not already have available this can be secured for the individual child through direct negotiation with:

- Other schools
- Support services
- Charities
- Volunteers

What arrangements are made for involving and consulting parents of children with SEND?

- Contacting/ meeting the class teacher in the first instance
- Contacting our Special Educational Needs and Disability Coordinator directly by Telephone: 01308 423418 or email: lodersoffice@acornacademy.org
- Regular Team Around a Family (TAF) meetings where the relevant professionals working with your child can discuss progress and the next steps where appropriate
- Termly Parent Meeting with teacher and SENDCo present as required
- Early Help Parent Partnership – Dorset SEND offer
<https://www.dorsetcouncil.gov.uk/children-families/sen-and-disability-local-offer/dorsets-local-offer>

What arrangements are made for consulting young people with special educational needs and involving them in their education?

We greatly value the active participation of young people in their education. This is facilitated by:

- Active involvement in planning and evaluating targets set in Personal Learning Plans, at least termly.
- Young people have an active involvement and their views are an important part of the Annual Review process
- Where appropriate, personal interviews are conducted

In school pupil voice is also facilitated by:

- Class teacher
- SENDCO
- School council
- Ethos Committee
- Involvement with <https://www.dorsetsendiass.co.uk/>

How does the school ensure the continuity of support when children progress to the next phase of their education?	We have close links with colleagues at local pre-school and secondary schools in the area. A smooth transition between phases of education is ensured by: When moving class the current and new teachers will meet to discuss the children coming into the class. This will include sharing PLPs, successful strategies, barriers to learning and next steps. When moving schools, the SENDCo will contact the new school's SENDCo to share SEND information prior to the move. Once the child has moved, your child's SEND file will be sent to the school. When moving to secondary education, meetings will be held during the Summer Term to discuss all children with SEND. All children attend changeover days at some point during the Summer Term. The secondary school may wish to meet your child prior to transition, in this instance, you will be informed and your consent will be needed. These meetings may result in additional visits to the secondary school for the child; however this is dependent on the needs of the child and the secondary school concerned, so may not apply in all cases. Parents/carers of children with more complex needs may require earlier transitional preparation. The school's SENDCo will support them in this process.
What arrangements are in place relating to the treatment of complaints about SEND provision?	If you have concerns about your child's SEND provision, you should initially raise these with the class teacher who will liaise with the SENDCo and decide next steps. The First Federation has a complaints procedure, which can be found on the website. https://www.firstfederation.org/complaints-2/ If there continues to be disagreement with regard to SEND provision, the Local Authority should make arrangements that include the appointment of independent persons with a view to avoiding or resolving disagreements between the parents/carers and the school. This includes access to mediation before tribunal. Parents/carers have a right to appeal to a SEND tribunal at any stage. Parents and Carers can access further information, support and guidance from Dorset SEN and Disability Information, Advice and Support Service https://www.dorsetsendiass.co.uk/
