Should no Level 3 trained staff be available when you need to report a concern, call your linked executive director / school improvement officer, or another Trust school and ask to speak to their Designated Safeguarding Lead.

Children's Advice and Duty Service (ChAD):

Emergency Duty Team out of hours: 01305 228558

Any child, in any family in any school could become a victim of abuse. Staff should always maintain an attitude of "it could happen here".

Key points for staff to remember for taking action are:

- in an emergency take the action necessary to help the child, if necessary call 999
- report your concern as soon as possible to the Designated Safeguarding Lead or Deputies, definitely by the end of the day
- do not start your own investigation
- share information on a need-to-know basis only – do not discuss the issue with colleagues, friends or family
- complete a record of concern / CPOMS log
- seek support for yourself if you are distressed.
